The following criteria will apply to all age groups :

- We expect the highest standards of behaviour both on and off the court.
- Players' behaviour not only at camps, but at all tournaments and events during the previous/current year, will be taken into consideration when making selections for County Cup.
- Players' effort, work ethics, commitment and dedication will be an important consideration.
- An ability to be a supportive and co-operative team player and a positive ambassador to Dorset Tennis will be essential.
- Please note that we expect ALL players to attend the camps if they wish to be considered for County Cup unless they are injured or have another tennis commitment at the time of the camp.
- Players eligible in more than 1 age group squad will attend the camps of the oldest age group squad. This is to ensure the players are training in relevant groups to their ability. However, they will still be eligible for selection of the County Cup in the younger age group.
